**INSTRUCTIONS**

1. Fill in the policyholder's information. Include the name and full social security number or Business ID of the policyholder, as well as his/her telephone number and the insured's name and the policy number. The policy number can be found in the Web Service and in the policy and insurance document.
2. Write the name and full personal identification code of the authorised person. NB! If the authorised person is a guardian or trustee, use the form for granting authorisation to guardians and trustees to use the Web Service.
3. Select the extent of the authorisation with an x in section 1, 2, 3 or 4. The difference between sections 3 and 4 is the right granted to the authorised person to terminate the policy on behalf of the policyholder. If rights to use the Web Service are granted to the authorised person, select the extent of the authorisation with an x in section 5 or 6.
4. The policyholder signs the power of attorney.
